Acer® Aspire® S7 Ultrabook™ HDMI to VGA and USB 3.0 Gigabit Ethernet Accessory Bundle

StarTech ID: ACEAS7VGAGEK

The ACEAS7VGAGEK Accessory Kit for the Acer Aspire S7 Ultrabook is an add-on accessory bundle containing two StarTech.com adapter products that let you extend the display and network capabilities of your port-limited Ultrabook.

The kit contains an HDMI to VGA adapter to connect your Acer S7 (or similarly configured Ultrabook) to an external VGA display or projector through the HDMI output. Also included is a USB 3.0 to Gigabit Ethernet Adapter, which adds wired network support and offers the added benefit of an integrated USB pass-through port to keep your USB 3.0 port available for other peripherals.

Though extremely portable, Ultrabooks often lack the necessary ports to connect to various desktop displays/projectors and wired networks when traveling between boardrooms, home / remote offices, trade-shows, hotels and conference centers. Perfect for offices using a hot-desking model, we designed this bundle of Ultrabook accessories to provide the missing connections most commonly needed among mobile users, to prepare you for almost anything.

Package Contents:

- HDMI to VGA Adapter (HD2VGAE2)

- USB 3.0 to Gigabit Ethernet Network Adapter w/ USB Port (USB31000SPTB)

Backed by a StarTech.com 2-year warranty and free lifetime technical support.
